Please be sure to include your shipping address, as well as day time contact information in case we need to get in touch.

Payment by credit card, check, or money order is required in full to ship the plants. We accept credit card orders through Visa, MasterCard, American Express, and Discover.

Substitutes: Since plants can be out of stock or unavailable for a variety of unforeseen reasons, it is to your advantage to list acceptable substitutes, especially given the minimum shipping charge.

Refunds and/or credits: Please indicate on your order whether, in the event that an item and/or its substitute is unavailable, you would prefer a refund by check or credit card, a credit, or to reserve the plant from a future batch.

Guarantees: We guarantee that the plants we ship to you are healthy with strong roots systems. If you have any concerns about the quality of plants you receive, we must be notified by phone, by email, or in writing within 5 days in order to properly address your concerns. Since your satisfaction is our happiness, we welcome the best chance to remedy any problems with plant health and viability.

After 5 days we cannot know the conditions that might have affected the plant, stresses of handling, weather conditions or that playful kitten...Providing you with healthy plant material is our mission and we trust you to provide the best research, handling, and garden environment to ensure success.

Shipping Information

How, when and where we ship

We ship via FedEx Ground, FedEx air, and USPS Priority Mail.

Please allow two weeks for processing your order. Should weather conditions in your part of the world or ours, or other circumstances intervene, we will work with you to confirm the best shipping date. Orders are shipped on Monday and Tuesday. If you have a specific shipping date requirement, please so indicate on your order.

We ship throughout the United States as well as internationally without problems.

Shipping Restrictions

Each state has its own set of plants restrictions. While we do our best to catch listed plants by referring to our current lists, customers are responsible for knowing the restrictions relevant to their order.

The state of Oregon participates in the USDA Sudden Oak Death Quarantine Program. Cistus Nursery is inspected twice a year and is free of SOD.

We ship international orders bare root, accessing restrictions and regulations through the Oregon Department of Agriculture.

Shipping rates and minimums.

We ship by either FedEx Ground, FedEx 2nd Day or 3rd Day Air, or USPS Priority Mail to the west coast (zip codes greater than 80000), depending on your preference.

By FedEx ground, the rates are \$12.00 or 10% of the plant total, whichever is greater.

By FedEx 2-day air, the rates are \$34.00 or 30% of the plant total, whichever is greater.

By USPS Priority mail, the rates are \$18.00 or 30% of the plant total, whichever is greater.

We ship by either FedEx Ground, FedEx 2-day Air, FedEx 3-day Air , or USPS Priority Mail to the west coast (zip codes greater than 80000), depending on your preference.

By FedEx 2-day air, the rates are \$44.00, or 35% of the plant total, whichever is greater.

By FedEx 3-day air, the rates are \$34.00, or 25% of the plant total, whichever is greater.

By FedEx ground, the rates are \$18.00 or 15% of the plant total, whichever is greater. We recommend you only choose this option during spring and fall.

By USPS Priority mail, the rates are \$22.00 or 35% of the plant total, whichever is greater.

Shipping by ground to the east coast generally takes one full week. Once again, we recommend requesting a ship date for these orders only during cool weather.

For special orders of larger plants that are not on our mail order list, we will charge you the shipping rates at cost and a small handling charge, which is unique to each order and varies from very little to hundreds of dollars.

Although we don't have a minimum order policy, we strongly encourage you to be just like us and have little to no self-control when it comes to adding plants to your collection.
